## THE Summerhill APARTMENTS WESTGATE ROAD

***This beautiful Grade II listed building has been sympathetically converted into 4 one bedroom apartments and 7 two bedroom apartments.***

Situated within the historic Summerhill Conservation Area the properties are in close proximity to the vibrant city centre and regional transport links.

Many of the apartments have retained their original period features, combined with modern kitchen and bathroom facilities and gas central heating.

The rear of the properties face Summerhill Square, a distinctive and architecturally important area of well-kept late-Georgian terraced housing.

The Summerhill apartments are ideally suited to anyone who lives and works in the city centre with a 1 or a 2 bedroom requirement.
